

MALIBU CREEK DOCENTS SPRING 2021 - 6 WEEK TRAINING PROGRAM

February 21 – March 27, 2021

The Malibu Creek Docents association is a nonprofit volunteer organization serving as the park's cheerleaders, teachers and tour guides, helping park visitors with information, staffing visitor center, conducting nature hikes, guided walks, assisting with campfire programs, and scheduled school hikes. The docents act as park ambassadors, helping visitors with advice and sharing their knowledge with park visitors. Minimum commitment is 4 hours volunteer time per month. Active docents will receive continuing education Naturalist training sessions, and MCSP annual parking pass. Additional volunteer time qualifies docents for district and statewide annual parking passes.

The training includes class room sessions, hands on training, and hikes at the MCSP with a focus to learn about the trails, plants and animals as well as the rich human history of the park. The \$50 training fee includes training materials, First Aid / CPR Certification, Malibu Creek Docents logo Tee-shirt, and docent fees.

Week 1 – Sunday February 21st – Orientation & Welcome Walk

Week 2 - Saturday / Sunday Feb. 27th / 28th - Visitor Center training

Week 3 – Saturday March 6th – Interpretive Training

Week 4 - Saturday / Sunday March 13th / 14th - Visitor Center training

Week 5 – Saturday March 20th – Docent led Hike

Week 6 – Saturday March 27th - First Aid & CPR Certification & graduation
